P.O. Box 28402 • Santa Ana • CA • 92799

Questionnaire for City Council Candidates

1. Do you generally oppose tax increases as a means to balance the city budget? Yes No
2. Would you oppose a city ordinance granting special rights to homosexuals? Yes No
3. Numerous incidents have shown a flagrant disregard for public health and safety by the abortion trade. For example, the death of Angela Sanchez in Santa Ana on January 19, 1993 occurred with no qualified medical practitioner on the premises, and without appropriate emergency procedures in effect (not even calling 911).
Will you advocate municipal laws that strictly regulate abortion clinic zoning and sanitation, and mandate inspection for compliance to business, building, and medical codes and regulations?
 Yes No
4. Would you instruct the city attorney and law enforcement to diligently enforce all obscenity laws?
 Yes No
5. Coin-operated vending machines that sell pornographic material, whether outside of enclosed businesses or on sidewalks, are easily accessible to minors. To ensure compliance to state law which prohibits sale of pornography to minors, business owners should be held responsible for ensuring lawful sales, as is currently done for alcoholic beverages.
Will you support municipal laws that prohibit the sale of pornographic publications via coin-operated vending machines located outside enclosed business or on private property? Yes No
6. Will you support restricting the location of businesses which sell pornographic material (i.e., bookstores, video stores, "sex shops") to at least 1000 feet from any school? Yes No
7. Do you oppose providing health care benefits or life insurance coverage for unmarried or homosexual "partners" of city employees? Yes No
8. Do you oppose the establishment of city-linked or school-linked interagency health care for minor children, which under current California law and judicial decision would be legally obligated to provide abortion or abortion referrals without parental consent? Yes No
9. Do you support the removal from city property of existing artifacts, monuments, or works of art which have a religious component or element? Yes No
10. Do you oppose "domestic partnerships", "civil unions" or any kind of relationship that compares itself to the sacred bond of marriage between a man and a woman? Yes No

11. Do you support mandatory testing of potential employees for usage of drugs as a condition of employment? **Yes** **No**
12. Do you oppose policies which allow punitive action to be taken against city employees because of their involvement in religious or political activities which do not occur during paid work hours or official volunteer service? **Yes** **No**
13. Do you oppose day-time curfews which prohibit the presence of minors in any public places other than school even at times when they are not required to be in school? **Yes** **No**
14. Do you oppose religious practices, current or future, that in ethnic communities oppose or defy civil law (e.g., Sharia law)? **Yes** **No**
15. Do you support laws that protect human life until natural death - for example, laws that oppose euthanasia? **Yes** **No**
16. Are there circumstances in which physician-assisted suicide is justified? **Yes** **No**

If Yes, what circumstances? _____

17. Do you support restoring legal protection for preborn children from the moment of conception (fertilization), with the possible exception where a medical procedure is necessary to prevent the death of the mother? **Yes** **No**

Do you have any other exceptions for abortion? _____
